

24 MUTANTS WALKED IN

Zero walked out unanswered

THE CHAINS

v1 WALKED PAST

expect.element() chains across unit specs.

First scanner saw matcher="element" — and kept walking.

CLOSEOUT

22 KILLED

2 RESOLVED

0 INCONCLUSIVE

22 killed = the suite works (controls firing).

Two inconclusives got names and rulings: one crash, one kill mapping.

Zero inconclusive remain.

Zero is a complete sentence.
